

Equipment Maintenance Technician, Oro-Medonte, ON, Canada

Job Type: Fixed-Term Contract, In person

Work Arrangement: This position is fully on-site (47 Paterson Road, Oro-Medonte, ON). Remote or hybrid work is not available.

FDS Foundation Drilling Services provides specialized foundation drilling tools and equipment rentals to contractors across Canada and the United States. We are seeking an experienced and reliable **Equipment Maintenance Technician** to support the fabrication, repair, and maintenance of drilling tools and heavy equipment at our Oro-Medonte facility.

Key Responsibilities

Welding & Fabrication

- Perform welding on equipment components using MIG, TIG, and stick welding techniques.
- Fabricate, modify, and repair drilling tools, attachments, and equipment components.
- Read and interpret drawings, measurements, and specifications.
- Ensure weld quality meets structural and safety requirements.
- Cut, grind, fit, and finish metal parts as required.

Equipment Maintenance & Repair

- Inspect and repair rental drilling equipment.
- Identify wear, damage, and structural issues.
- Work closely with operations and shop staff to meet project and rental timelines.

Shop & Safety

- Maintain a clean and organized shop environment.
- Follow all company safety procedures and policies.
- Operate tools and equipment safely and properly.
- Assist with general shop duties as required.

Required Qualifications

- Proven experience as a welder in an industrial or fabrication environment.
- Proficiency in MIG welding (TIG and stick welding are considered assets).
- Ability to read drawings and accurately measure and fit components.
- Strong attention to detail and workmanship.
- Ability to work independently and as part of a team.

- Able to work full-time on-site in Oro-Medonte.

Preferred Experience

- Background in construction, drilling, heavy equipment, or industrial sectors.
- Experience welding structural or load-bearing components.
- Forklift or overhead crane experience.
- CWB welding certification is an asset but not required.

Compensation & Benefits

- Competitive hourly wage based on experience.
- On-site parking.

Experience: Welding – 5 years (required)

Location: Oro-Medonte, ON (preferred)
